

## 'Vaccine Maitri (Vaccine Friendship)': Covid vaccine doses from India reach Bhutan, Maldives

Doses of Indian Covid-19 vaccine arrives in Bhutan (MEA)

While Maldives has already received 100,000 doses, as many as 150,000 doses of Covishield Indian vaccine have reached Bhutan on Wednesday. "Vaccine Maitri (Vaccine Friendship) begins. Consignment arrives in Bhutan. Another example of Neighbourhood First," tweeted external affairs minister Subrahmanyam Jaishankar.
